

4th Class work Week- Beginning 8th June 2020

Hello 4th class, I hope you are keeping well & thank you for emailing me your work. I have saved them in a folder for September. Again this week I would like you to email me on your completed work. bredakeating@ymail.com

Today's world

As you are aware there is a lot of unrest and uncertainty in the world at the minute. The Coronavirus pandemic has caused lots of change in our lives and we have all had to adapt to living life very differently. Thankfully here in Ireland we have all worked together to halt the spread of the Covid-19 virus and we are slowly getting back to normal.

Unfortunately this isn't the same across the world. As you may be aware, the United States is going through a time of unrest. Protests and rallies are taking place across the country in response to the death of George Floyd, a black man who was hurt in the custody of the Police in Minneapolis. His death has encouraged people from all communities to speak up about racism and inequality across all races. On Tuesday 2nd of June, a worldwide campaign spread across social media called "Black Out Tuesday" encouraging people to stop posting their usual content and to open the discussion of equality. Racism isn't a recent issue. Inequality has been a problem for centuries. Many of you will remember learning about Ruby Bridges from our Grow In Love book. Ruby, along with Martin Luther King and Rosa Parks, are famous Black people who spoke out against racism. This week I would like you to spend some time discussing the protests in America (and across the world, even Dublin!) with your family and have a think of the following questions.

1. What is racism?
2. What is a racist?
3. Do you think racism exists in Ireland? in Tipperary?
4. Why do you think racism exists?
5. What do you think about what happened to George Floyd?
6. Do you think the people are doing the right thing by protesting and holding rallies?
7. Do you think people are born racists or do they learn to become a racist?
8. What could you do to help prevent racism?
9. Think of 3 things that you are grateful for.

Here are some quotes I came across that I'd like you to read and chat about at home.

"Change will only happen if everyone plays a role". Former President Barack Obama.

"There is only one race on earth-the human race". Jane Elliott.

"I do things every day without fear, because I am privileged, and I am privileged every day because I am white." Harry Styles, One Direction

"In a world where you can be anything, be kind". Jennifer Dukes Lee

Here is an **example** of a timetable to help you lay out your work this week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Maths	MYM Test 24 Q1-16 IYH 8 Q-1-20	MYM test 24 Q17-25 IYH 8 Q-21-40	MYM test 25 Q1-16 IYH 9 Q-1-20	MYM test 25 Q17-25 IYH 9 Q-21-40	IXL online
English	Comprehension: Martin Luther King Listen to his speech	Writing: Biography/ Factfile	Grammar: Adjectives	Grammar: Adverbs	Read & share the news. Discuss with your family
Gaeilge	Gramadach Aimsir Láithreach	Léitheoirecht Ar saoire sa Fhrainc & ceisteanna	Scríbhneoireacht 1. Cárta poist Dháithí 2. Cárta poist féin.		
Reading	Spend at least 30 minutes per day reading. If you are growing tired of reading your library books and would like a change, have a read of the newspaper. What's happening in the world today is going to be future History books, movies, even on <i>Reeling in the Years</i> . Read about the SpaceX mission, President Trump's dealing with the protests in America, Farming news-Silage season.				

***IYH: In your head MATHS MATE**

English:

Comprehension: Martin Luther King Jr. Read and answer the questions.

Listening: Listen to his famous speech here

<https://www.youtube.com/watch?v=3vDWWy4CMhE>

Writing: Biography/fact file

Refresh your memory of Ruby Bridges here

https://www.ducksters.com/history/civil_rights/ruby_bridges.php

Maths:

- **Master Your Maths:** Complete Test 24 & 25

Here are some reminders:

1. What is the product of 2, 3 and 6 means what is the answer when you multiply $2 \times 3 \times 6$.
2. $6 \div 100$. Imagine money \rightarrow €6.00 divided by 100 people. How much would each person get? €0.06 so $6 \div 100 = 0.06$
3. $\frac{5}{8}$ of a number is 20. What is the whole number?

Remember we want to find the whole number- a bigger number. Divide by the top, multiply by the bottom. $20 \div 5 = 4 \times 8 = 32$. Answer: 32

4. Use your fraction wall for these questions:

A. $2 - \frac{3}{4} \rightarrow$ 2 units in quarters is $\frac{8}{4} - \frac{3}{4} = \frac{5}{4}$ Then write it as a mixed number $1\frac{1}{4}$

B. How many $\frac{1}{10}$ s in $1\frac{1}{5}$. Using the fraction wall or from memory you know there are 2 $\frac{1}{10}$ s in $\frac{1}{5}$. Therefore there are 12 $\frac{1}{10}$ s in $1\frac{1}{5}$.

5. $8\text{kg} - 4.75\text{kg}$ Write as first then subtract

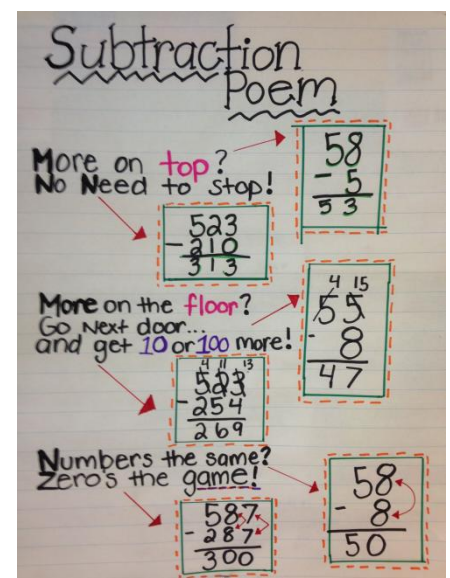

$$8.00\text{kg} - 4.75\text{kg}$$

- **Maths Mate:** In Your Head 8 and 9.

I know when we were in school, some of you completed the *In your head* pages if you were finished early. Therefore some of you will be up as far as No. 8 and some will not. Don't worry. We will all start together at 8 and work our way to the end.

Tables & Mental Maths: <https://ie.ixl.com/math/class-4>

This week please select **4th class** and revise **ADD AND SUBTRACT FRACTIONS**

Gaeilge:

- **Gramadach:** Aimsir Láithreach
- **Léitheoireacht:** Ar saoire sa Fhrainc & ceisteanna
- **Scríbhneoireacht:** Críochnaigh cárta poist Dháithí & Scríobh do cárta poist féin

Other:

<https://www.theprimaryplanet.ie/> Has some nice activities if you would like to take a look.
