

## 4<sup>th</sup> Class work Week- Beginning 16<sup>th</sup> March 2020

Hello 4<sup>th</sup> class😊 Hope ye had an enjoyable weekend. Here's some work to keep you busy and a few things to remember:

*Enjoy your time at home. Be helpful. Be kind. Be patient.*

*Keep your room clean. Help with jobs around the home and most importantly protect yourself and those you love. Keep washing your hands and coughing/sneezing into your elbow.*

*Everything will be back to normal soon and I look forward to seeing you all soon 😊*

If you want to send me any work you complete on the computer e.g. a power point/project or a photo of any work you've written, send it to me by email 😊  
[bredakeating@ymail.com](mailto:bredakeating@ymail.com)

### English:

- **The Golden Harp:** Unit 9 Read Pgs 36 & 37; complete activities A, B, C, D, E on Pg 38 & 39 into your comprehension copy.
- **Literacy Card:** Read twice. Read questions & read again (if needed). Answer questions into your Homework copy.
- **Audio Literacy:** <https://www.worldbookday.com/stories/the-boy-who-made-the-world-disappear-by-ben-miller/>

Finish listening to the book 'The boy who made the world disappear'. Were you happy with the ending? Were you surprised by the author's choice of ending?

Write an alternative (different) ending to the one you listened to into your Homework copy- At least half a page-neat presentation, paragraphs, re-read when finished to edit sentences and check spellings.

- **Spellings:** <https://www.spellingsforme.ie/> using the login details I have given you- log in and complete the next few tests in the yellow boxes. Complete as many as you would like, just remember to listen carefully and only spell the word they ask for.
- **Library book:** Finish the book you are currently reading and tell someone at home all about it. Read another book and prepare, orally, a book review that

you can share with us when we're back at school. Remember to tell us all about the characters, the story, the setting, the events that happen and the ending.

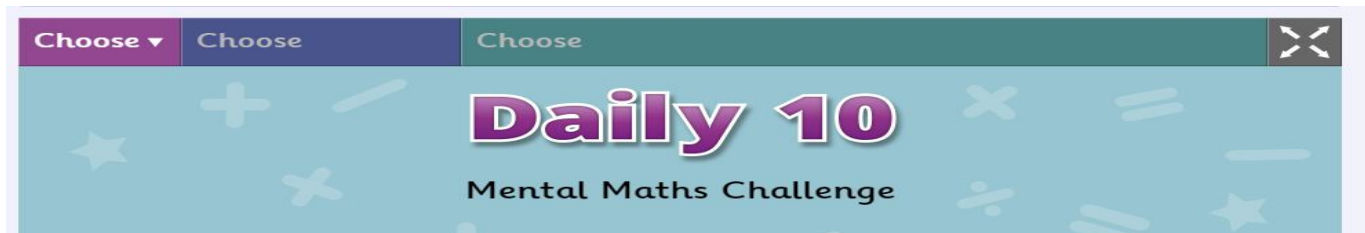

### Maths:

- **Master Your Maths:** Complete Mon, Tues, Weds, Thurs of Week 25.
- **Maths Mate:** Division Pgs 56, 57, 58. Multiplication Pgs 59, 60. Revision Pgs 61 & 69. For the crossword type activities you can use your calculator. Complete the 'In you copybook' questions into you Maths copy & check your answers AFTER with your calculator.
- **Tables & Mental Maths:** Revise your tables & practice some mental calculations and problems.

Here are some of the sites we use at school:

<https://www.topmarks.co.uk/maths-games/daily10->

Use the drop down menu 'Choose' to pick levels 3 & 4, choose a topic etc. Pick topics you feel you could benefit with practice in.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Send time practising all your multiplication and division tables.

### Gaeilge:

- **Léigh sa bhaile:** Pgs 37, 38, 39, 40. Remember to read the 'Foclóir' boxes and the passage twice before answering questions into your Homework copies.
- **Fuaimeanna & Focail:** Aonad 17 Pgs 52, 53, 54
- **Cluichí:** Have some fun with Gaeilge online and revise your Aimsir Chaite & Aimsir Láithreach too.

<https://www.seideansi.ie/aimsir-chaite.php>

<https://www.seideansi.ie/an-aimsir-laithreach.php>

**Music:** Tin Whistle: Spend time practising the tunes Séamus has thought you. Come back to school and blow him away with your improvement 😊

**Other:**

**Stay Active:** Get outside- spend time cycling, walking, skipping, playing games, exploring around your garden. If it's wet, use Go Noodle and 10 at 10 to stay active inside. <https://app.gonoodle.com/> and <https://rtejr.rte.ie/10at10/>

<https://www.supertroopers.ie/family-zone/>

**Get Creative:**

- **Art:** Find something beautiful at home or outside and draw or paint a picture of it. Maybe it might be a family member, a toy, your garden, the mountains etc.
- **STEM:** Design and make- Can you create a bridge, a tower, a building and ensure it will be able to stand on its own. Make a money box, jewellery box, pencil box. Look online for more inspiration- <https://stemplayground.org/> have many videos to watch and then ideas as how to design and make different structures.
- **Project:** Create a project on something that really interests you- farming, machinery, animals, sport, computer gaming etc and make a poster or PowerPoint of pictures & information on it to share with us at school. <https://www.kiddle.co/> and <https://www.worldbookonline.com/kids/home#> are really helpful websites for information. Email them onto me if you would like 😊
- **Twinkl.ie**- Free membership at the minute for 100's of more ideas, resources on every subject.
- Send a letter or a card to someone you haven't seen in a while like your grandparents, aunty, or cousin. Tell them your news, your interests, your talents and things about you they may not know.

Do as much as you can. If you get stuck on anything in Maths, circle it & I will talk you through it when we are back. Show off to your families how independent you've become and capable of creating great pieces of work. See you soon 😊 😊
