

#### 4<sup>th</sup> Class work Week- Beginning 2nd June 2020

*Hello 4th class, I hope you are enjoying this beautiful weather. I spoke to many of your parents this week & I am so delighted to hear you are getting on so well. Well done!*

*As we begin the month of June, we will spend time revising work we have completed throughout the year. Most of the work will be worksheets where you fill in the exercises or copy the exercises into your copy. You can also complete the work on the computer if you would prefer.*

*As this is revision, I would like to see how much you have learned so I'm asking you to **take pictures of your work and email them** to me so I can keep a file of work for September. All the work has been covered before, but I will give you some examples and information to help you, as I know it was a long time ago we would have done it in school.*

*I have only set work for Tuesday, Wednesday, Thursday and Friday and only English, Irish and maths. If you need help or have any questions, please email me :)*

*Please don't be put off by the worksheets. A lot of it is my explanations. Please try what you can and I can help you if you are stuck on anything :)*

*Also you don't need to print it all off. You can copy it into your copies to save on paper and ink :)*

*I've attached the answers to the maths work, try and correct the work you have completed and if you have any questions, email me & I'll help you.*

	Tuesday	Wednesday	Thursday	Friday
Maths	Maths Mate Capacity Pg. 82  MYM Test Week 22 Q1-16	Maths Mate Capacity Pg. 83  MYM Test Week 22 Q17-25	Maths Mate Capacity Pg. 84  MYM Test Week 23 Q1-16	Maths Mate Chance Pg. 89  MYM Test Week 23 Q17-26
English	Grammar: Homophones W/S	Reading: First man on the moon	Grammar: Verbs W/S	Writing: Newspaper report- Covid-19
Gaeilge	Gramadach: Aimsir Chaite W/S	Léitheoireacht: Lá sa pháirc W/S	Gramadach: Na Briathra Neamhrialta W/S	Scríbhneoireacht: Críochnaigh an scéal W/S
	Reading for at least <b>30 minutes per day</b> - important to keep up fluency, vocabulary and comprehension			

**\*\*WS-** Worksheet

- **Reading & Writing:** This week you have a piece of reading about the first man on the moon. I would like you to read this report and answer the questions on the next page. I would then like you to write your own factual report on the current Covid-19 crisis. Here are some questions to help you structure and write your report. Remember to make a plan before you start writing and to read back over & edit it afterwards. Again if you would prefer to do this on the computer, that's no problem but I have attached a report template with the worksheets for you too.

### **Covid-19**

What is Covid-19/ Coronavirus?

What causes the virus?

Where did it originate (come from)?

What symptoms does it show?

How many people in Ireland have been affected?

What has the Irish government done to help stop the spread of the virus?

What are the citizens of Ireland doing to stop the spread of the virus?

How has it affected our lives?

What are the next steps to help get our lives back to normal?

### **Maths:**

- Maths Mate: Capacity & Chance- Pages 82, 83, 84, 89
- MYM: Test 22 & 23

**Tables & Mental Maths:** <https://ie.ixl.com/math/class-4>

This week please select **4<sup>th</sup> class** and revise **FRACTIONS AND MIXED NUMBERS**

### **Gaeilge:**

- Gramadach: Aimsir Chaite- see worksheets attached
- Léitheoireacht: Lá sa pháirc
- Scríbhneoireacht: Scéal a chríochnú
