

Hello First Class.

I hope you are all well. Keep up your reading practice and keep recording the titles of the books you are reading. You have now completed your Starlight Reader and skills workbook so I have given you some Revision reading and as you have less writing this week I have given you extra Maths pages so that we will have all the topics completed by the holidays .Here is your work for this week. Do as much as you can but don't worry if you can't get it all done. Just try your best.

Kind Regards, Ms.Nugent.

ENGLISH

Reading : (Complete over the course of the week)

1.Read At Home Book .Revise pages 13 to 16. . Answer the 5 questions orally.

2.Sightwords. Revise the story(from the last 2 weeks) “ The Best Thing In The World”. Test the sightwords by pointing at the different words randomly throughout the text pages 1 to 4.

3.Starlight. Folens- Resources accessible free online

Combined Reading and Skills Book. Now completed.

Complete the Reading Skills test on pages 70 and 71.

Revise the first 2 stories. A Day in the Park and My new bicycle.

Revise the focus(new) words at the bottom of the pages and check for meaning.

Read the texts and then have a chat about them. What's it about? Talk about the pictures etc. Check for tricky words or any words your child doesn't understand. Take turns with your child reading the text lots of times to develop fluency ,to learn the new words and for enjoyment and understanding.

Writing-1. Write a story in your copy “A Day in the Park “ and draw the picture.

2. Write the focus words from the bottom of the reading pages into your own sentences.

3. Start a Summer Diary in a copy or notebook.

MATHS

1. Busy at Maths Book. Complete Pgs.147 to 154.(Extra sums pages this week to complete topics). Do 2 pages per day. See Home/School Links Sheet 25 (Money) for activities to help with understanding this topic . Teach the language for this topic. Refer to the bottom of each page(blue section) for the language associated with money /regrouping. Always add the units side first , when adding tens and units, then regroup when necessary.

.

2. Write some sums from the above pages into your Maths copy for extra practice .

3. Tables. Revise $+10$ to $12+10$ and -10 to $22-10$

SESE Science - Heat.

(Textbook Small World First Class) Accessible free online Resources at cjfallon.ie

Pgs. 94 and 95 Temperature. See enclosed sheets . Print to complete or Write into a copy.

Read the text on page 94 about Temperature.

Complete sections A,B and C (Change Classroom to Kitchen and Playground to Outside as you are not in School).

Read about the animals that live in very cold and very hot places on page 95 and complete sections D and E.

Chat about other animals found in the Arctic or in Africa.

Optional- Write some facts about these animals in your copy and draw pictures of them.

.

P.E.

1.Log onto youtube P.E. with Joe (30 minute children's lessons)

2. Play outside. 3. Go for a cycle. 4. Go for a walk.
