

First Class Schoolwork 4/5/20 to 8/5/20

Hello First Class.

I hope you and your families are all keeping well and healthy .I'm sure you are keeping busy doing lots of different activities outside and inside. It's a good chance to do some reading when the weather is wet and also a good time to do the schoolwork. When the weather is dry and sunny it's a chance to go out for fresh air and exercise and maybe even some gardening .I have a new puppy and she is keeping me very busy when I am not doing my work. Her name is "Cara" and she is 11 weeks old. She just wants to play and sleep !Here is your work for this week. Do as much as you can but don't worry if you can't get it all done. Just try your best.

Kind Regards, Ms.Nugent.
