

English:

Writing:

Complete the following questions based on the novel 'Wonder' into your copies. I want full, detailed answers. If you need to go back on what has been covered then do.

1. Name 3 things August and his friends did during the retreat.
2. Jack and August were bullied in the woods by Eddie and his gang. Did anything positive come out of that incident?
3. What was found in Eddie's locker?
4. What happened to Auggie's astronaut helmet?
5. August won the Henry Ward Beecher award. Can you discuss the characteristics August had shown all year that helped him win the award. You need to back up the characteristic you choose with an example of it from the book.

Email me on the completed work.

The link to the novel is below.

Reading:

Class Novel – Wonder by RJ Palacio

- You will find a link to the book 'Wonder'. You can download this or print it off. Whatever you prefer.
- I want you to read from chapter: **After the Show; Part 8 - August** all the way to the end of the novel.

6th Class

School Memoirs:

I want each sixth class pupil to write me a memoir about their time in Scoil Teampall Toinne. This is just a piece of writing that is personal to you and explains how you feel about leaving primary school, what you'll miss, the fun times you had, what you'll always remember etc.

I want it to be approximately one A4 page and if you can type it on a Word doc and send it to me that would be great.

If you haven't this completed then please get it to me ASAP. Thanks 😊

Irish:

Rang 5:

- Read the comprehension card '**Clós na Scoile' (The Schoolyard)** and answer the questions. If you can't print the sheet just write the answers into your copy and send a picture with the answers.

Rang 6:

- Read the comprehension card '**Páirc an Chrócaigh**' and answer the questions. If you can't print the sheet just write the answers into your copy and send a picture with the answers.

Maths:

5th and 6th Class

I have attached a math sheet full of word problems. They start off straightforward but get progressively harder. What I want you to do is complete the work into your maths copy, complete with roughwork, and when you get to the point that you can't do anymore then just stop.

Obviously, 6th will get further than 5th and some pupils will get further than others. I'm not worried about who completes them all and who doesn't so please just do your best. That's all I want from each of you.
