Writing:

This week I want the pupils to complete the following writing activity:

Once you have read the chapters for this week I want you to go and write a summary of the novel so far.

In your summary I want you to just give a broad description of the main story of the book. Outline who the main characters are and how you feel about them and why. Are they likeable? Are they mean, selfish, kind etc. You need to say why you think this by referring to events in the novel.

I'd also like you to make a prediction on what you think might happen next. This is something you do based on your reading up to now. No point in reading ahead to get the answer.

This is to be **no less than 1 A4** page.

Do not forget to use paragraphs, punctuation and good spelling please. I will be asking pupils to rewrite it again if I think an honest effort hasn't been done.

Email me on the completed work.

The link to the novel is below.

This week I am going to get you to read about Native Americans. You will learn about their culture, their way of life and the effect European settlers had on them.

You will need to go to the **Folens website** and register as a student. This is all free to do. All you need is an email address. Once on the site you can search for the book **Unlocking History 6th Class**.

The chapter begins on page 30. Read through it over the week and complete the exercises at the end into your copy. I want full answers, done neatly into your copy. Send on the finished work then as usual.
