**Phonics Homework (1<sup>st</sup> Class)**

**Monday:**

I would like you to read out the following sentences to your child as a dictation exercise. Get them to write out the sentences into their copy/on a page.

1. The snake was in the tree.
2. The tramp sat on the damp sand.
3. The man had cramp in his leg.
4. He bought some land to make a farm.
5. "I will stand and hold the lamp", she said.

**Tuesday - Friday:**

Please get the children to write out 5 words for each of the following word endings -

**ide** (e.g. ride), **ipe** (e.g. swipe), **ash** (e.g. cash), **ink** (e.g. pink)

I would then like them to put the above words into meaningful sentences.

Thank you.
