

Monday June 15th

Phonics Homework (1st Class)

Monday – Thursday:

Please get the children to write out 10 words ending in 'ing' (e.g. kicking)

I would then like them to put the words into meaningful sentences.

Friday:

I would like you to read out the following sentences to your child as a dictation exercise. Get them to write out the sentences into their copy/on a page.

1. The boy is running to school.
2. The girl was caring for her granny.
3. My dad is good at making sand castles.
4. Jim was playing soccer with his dad.
5. Kate was dancing with her mother.

Thank you.
