

Second Class Plan of Work

Week 3: 30th to March 3rd

Dear Parent,

As we head into our third week, I hope you and your families are coping well and are healthy. The weather has improved this week so I hope you've all taken advantage of the little bit of sunshine and you've gotten outside to enjoy it. I want to remind you all that the work I have set is revision, so try your best, maybe your child could teach you instead of vice versa. Please only spend an hour or so on the work as I don't want it to burden or overwhelm.

Please remember if you would like to send me photos/scanned documents or word documents of completed work via email; I can correct the work for you and give you feedback relative to it. If you have any questions about the work, whether you would like more or less, again just email me and I will get back to you a.s.a.p.

ellenmaryodonnell@yahoo.ie

Many thanks in advance for your co-operation.

Kindest regards,
Ms. O' Donnell

SESE/ARTS-Optional Extra

This is active work that incorporates a range of topics. There is absolutely no pressure on anyone to complete this work but if you would like to incorporate the little bit of baking/organising/art into your week, feel free. Pick and choose from the content. Again, there is no obligation to complete this work, it is merely a suggestion in case you'd like it.

This week I'd like you to think about where your food comes from. Please fill your observations/recordings into your SESE copies.
