

Second Class Plan of Work

Week 1: 16th to 20th March

Dear Parent,

Please find a list of work below for your children to complete this week. The work has been outlined for your child to be able to complete it independently, however please offer any assistance you can as you see necessary. If any element of work is proving too difficult for your child, please don't worry, we will revise the core concepts when we return to school. Please encourage your child to read daily, chose a book that you have at home and encourage your child read a few pages each day.

Please tell all of the children I was asking for them and I will see them all soon😊!
Keep washing the hands, stay safe and take care of each other.

Many thanks in advance for your co-operation.

Kindest regards,
Ms. O' Donnell

Subject	Content	Notes
