

### Third Class Plan of Work

**Week 4: April 20<sup>th</sup>-24<sup>th</sup> 2020**

Dear Parents,

I hope you're all well after the Easter break. Obviously it has been a very different Easter holiday for everyone but I hope you're all well and have made the most of these strange times with your families.

Please remember home-schooling happens and was happening every day in your houses despite Covid-19, the work outlined is a support for you, not a burden. Do what you can! Once we're all healthy and well at the end of it, we will relish moments and memories we would never have made if it were not for Covid-19. This is a time in our lives no one will ever forget; let's try to make the most of it. I've tried to echo that sentiment in this week's optional work.

Again this week, I want to remind you all that I am more than willing to answer any questions and correct your work via email: [ellenmaryodonnell@yahoo.ie](mailto:ellenmaryodonnell@yahoo.ie) Send me a picture of the work or a question via email and I will get back to you a.s.a.p.

Many thanks in advance for your co-operation.

Kindest regards,  
Ms. O' Donnell
