

# Holidays

**Colour.**

Conor and Kate are at the seaside.  
They are having fun.

**Talk about it.**

1. Name all the things you can see in the picture.
2. What games do we play at the seaside?
3. What should we put on to protect ourselves from the sun?
4. You can swim in the sea.  
Where else can you swim?
5. Name the object hidden in the picture.
