

## Second Class Plan of Work

**Week 2: 23<sup>rd</sup> to 27<sup>th</sup> March**

Dear Parent,

I hope you and your families are all well. Another week is upon us and I have set out work below for 2<sup>nd</sup> class. In conjunction with Mr. O' Connell's note I have prepared revision work this week. I changed the format slightly also as we have a full 5 day week this week.

In relation to digital work that I mentioned last week, if you would like to send me photos/scanned documents or word documents of completed work via email, I can correct the work for you and give you feedback relative to it.

[ellenmaryodonnell@yahoo.ie](mailto:ellenmaryodonnell@yahoo.ie)

Again, please remember do your best with the work, it is already a stressful enough time, just do what you are able to get done with your child. I have limited the workload this week as I know it can be hard to cover everything during this challenging time. Please only spend an hour or so on the work as I don't want it to burden or overwhelm. If you would like more or less work or have any questions, please email me to the above address.

I wish you all the very best and I hope you are all adjusting to this crazy time as best you can. Keep washing the hands, stay safe and take care of each other.

Many thanks in advance for your co-operation.

Kindest regards,  
Ms. O' Donnell

<b><u>SESE/ARTS-Optional Extra</u></b>  This is active work that incorporates a range of topics. There is absolutely no pressure on anyone to complete this work but if you would like to incorporate the little bit of baking/organising/art into your week, feel free. Pick and choose from the content. Again, there is no obligation to complete this work, it is merely a suggestion in case you'd like it.					
This week I'd like you to think about where your food comes from. Please fill your observations/recordings into your SESE copies.
